The Comptroller recommends that Mr. Lakshmana Rao be permitted to remain in England for 3 years till he passes the 2d, 3d & 4th actuarial examinations and be granted a Scholarship of £ 200 for the 1st year, £ 225 for the second and £ 250 for the 3d year.

He also recommends the grant of the additional sum of £ 40 for outfit.

He further requests that the Stipend of Rs 100 sanctioned to Mr Lakshmana Rao may be continued from 19th July 1919 till the date of embarkation to England.

Hon. 8/8/19

Reference is invited to Messrs K.S. Aiyar's letter of 23-12-1918 [illegible]. If Mr. Lakshmanarao would not be able to pass in Parts III and IV of the actuarial Examination unless he receives some practical training in an actuary's office it would be desirable both in the interests of the Scholar and of the Govt that the course should be completed once for all, and the recommendation of the Comptr for

The extension of the period of stay in England to 3 years may be sanctioned, subject to the condition that during the first year, the accountancy examinations, and Part II of the actuarial exn will be passed —

In view of the precedent quoted the Complr's suggestion to enhance the scholarship during the 2nd year by 25£ and in the 3 year by 50£ seems to deserve favourable consideration —

The request for a reconsideration of the rates already passed in regard to the grant of outfit expenses is for addn. Mr. Lakshmana Rao prays that the addl sum of 40£ asked by him be paid in London as a single donation as well as the 25£ already sanctioned by Govt. may be received within 5 years after his return to India — The Complr makes no specific recommendation as regards the adjustment of the addl 40£ The last proposal of the Complr that the stipend of boys be continued till date of embarkation to Canada may be approved.

According to the recommendations of Messrs. K. S. Aiyer & Co. Mr. Lakshmana Rao would ~~request~~ require to stop in London for about 9 months to pass the Intermediate and final parts of the Incorporated Accountant's Examinations. He may perhaps be required to pass Part II of the Acturial Examination also during this period. For passing the 3rd and 4th parts of the Acturial Examination, Messrs. Aiyer & Co., say that he should stay in London for a period of two years to enable him to receive the practical training required for passing Parts III & IV of the Acturial Examination. In Government Order No.Fl.4743-4/G.F.42-18-5 dated the 21st March 1919, it was directed that Mr.B.Lakshmana Rao, Actuarial and Accountancy scholar proceeding to England, be allowed a scholarship of £200/- per annum for a period of not exceeding one year.

2. The Comptroller in his letter dated 1st August 1919 has solicited orders on the representation of Mr.Lakshmana Rao for the grant of certain concessions the chief of which are:

(1) increase of scholarship from £ 200 to £ 250 per annum, and

(2) extension of the period of scholarship to 3 years to enable him to complete his training as an Actuary as well.

3. This proposal and the note dated the 13th September 1919 of the Education Secretary suggesting the appointment of Mr. Lakshmana Rao as Professor of Accountancy in the Mysore University, were considered at a meeting of Council held on the 18th September 1919. The opinion of the Council is: 'A scholarship of £ 250 for one year may be given to him to proceed to England and to complete the course in Accountancy. On his return he may be appointed Professor of Accountancy or employed in some other suitable capacity'.

I have the honour to state that on receipt of a letter dated th July 19 from Messrs.K.S.Iyer & Co., Bombay, intimating that Mr.B.Lakshman Rao, Actuarial Scholar is likely to secure a berth after 1st September 19, I have arranged for payment to him of single passage 2nd class from Bombay to London and also £ 25/- for equipment charges sanctioned in Government Order No.Fl.5743-4/GF.142-18-5 dated 21st March 19.

2. Mr.Lakshman Rao now represents that (1) the scholarship of £200/- per annum sanctioned to him will not suffice and requests that the same may be raised to Rs.250/- and that he may be granted an advance of £40 in addition to the sum of £25 sanctioned to him to enable him to provide himself with the necessary equipment. He further represents that the period of the present scholarship may be extended to three years to enable him to pass the 2nd, 3rd and 4th Actuarial Examinations and complete his studies once for all, as if he should be requird to go to England for a second time later on, his family difficulties may come in the way and it may become difficult for him to pass the examinations as he grows older. Mr.Lakshman Rao has been under training from 16th April 14 and if he is to be sent to England for a further training of 3 years the total period of training will

be 8 years, and it is a point for consideration whether it should be extended to such a length of time. In view, however, of his having passed the First Acturial Examination, and the desirability of affording him an opportunity of completing his acturial course, I would recommend that he be permitted to remain in England for three years till he passes the 2nd, 3rd and 4th acturial examinations, and be granted a scholarship of £200 for the first year, £225 for the second and £250 for the third year. Though under the rules regulating Foreign scholarships issued with Government Order No.765-815/Edn.400-15-1 dated 22nd October 1914, the scholarship should be limited to £200 per annum, the recommendation for enhanced scholarship is made on account of increased cost of living in European Countries on which consideration, Government have as a special case, raised the scholarship from £200 to 250 in the case of those who were granted such scholarship in their order No.4450-6 dated 26th November 1918.

3 I also recommend that the additional sum of £40 for outfit be sanctioned as requested by Mr.Lakshman Rao.

4. I also request, with reference to Government Order No. Fl.7802/GF.214-17-4 dated 17th June 18 directing that Mr. Lakshman Rao may be asked to return to Bangalore after the 19th July 1919 that the stipend of Rs.100 sanctioned to him in Government Order No.Fl.821-4/B.7-15-4 dated 16th April 14 may be continued till the date of embarkation to England from which date he will draw the scholarship of £200 per annum sanctioned in Government Order No.4745-4/GF.142-185 dated 21st March 19.

I have the honor to be,

Sir,

Your most obedient servant,

J. Schuyler Crosby

Offg: Comptroller.

Letter No.1576 dated 4th July 1919 from Messrs.K.S. Aiyar & Co., Bombay, to the Comptroller, Mysore Government, Bangalore.

The contents of the Government Proceedings No.Fl.4745-4/ GF.142-18-5 of 21st March 19 and those of your covering letter No.1999/R of 22nd March 1919 were duly communicated to me by Messrs.K.S.Aiyar & Co., Just when I was thinking of submitting my representations in regard thereto, I received an urgent communication from the Registrar of the Mysore University enquiring if I would be willing to accept, if offered, the appointment of Professor in Accountancy in the Mysore University from July 1919. Feeling that the opportunity for contributing to the development of Higher Commercial education in the State would more than compensate for the sacrifice of immediate British training in Acturial Science, I readily fell in with the Registrar's proposal and apprised him of my willingness to join the University as a Professor if His Highness's Government would approve. As I have not heard anything subsequently from him, I beg now to represent to you certain matters relating to my voyage to England and the Acturial training there, whose submission I deferred till now, expecting the Government's disposal of the Registrar's proposal in the meanwhile.

2. As early as in February last and long before Messrs.K.S. Aiyar & Co., received from you the communication referred to in para 1, I managed to secure a passport through the kind interest of Messrs.K.S.Aiyar & Co., who introduced me to the Commissioner of Police, Bombay. But my application for a priority certificate in December last to the Bombay Provincial Passage Committee was included by them in the C5 group. Consequently my incessant and earnest efforts since January last to secure a passage, have till now proved unsuccessful. I learn, however, from Messrs.Thomas Cook & Son that it may be possible for me to obtain a berth after 1st September next. Since there is a keen rush of applicants to the Shipping Companies for passage

passages to England, I request you to send me as early as possible a draft for Rs.700/-, the approximate second class fare, in order that I may be able to register the earliest possible berth. Till embarkation on voyage I shall continue my Acturial Studies under Messrs.K.S.Aiyar & Co.

3. As regards my stipend during the stay in London, I request the favour of your representing to the Government that they may be pleased to award me £250 per annum as has been awarded to some subordinate officers in the Department of Agrigultural Chemistry who are also about to proceed Westward for study. I may here state that the stipend of the Government of India Scholarship has been increased from £200 to £250 per annum.

4. As regards equipment for the voyage and on arrival in London, I request that Rs.400/- may be advanced to me now and £40 on arrival in London, and that the two amounts may be recovered from me within five years after my return to India.

5. In conclusion, I beg to submit, with all due respect to the Government, that it is difficult for me to accept their suggestion regarding my double trip to England for Acturial Training. After once returning from England, my family circumstances may not permit my journey thither a second time. Besides, as a person grows older it will become increasingly difficult for him to pass written examinations, especially some years after passing in the earlier portions of that course. Hence, I request you to move the Government to sanction my scholarship tenable in England for at least three years, in order that I may pass all the three examinations in addition to the one which I have already done and thereby be enable to become a Fellow of the Institute of Actuaries, as agreed upon between the Government and my humble self in 1914.

6. Soliciting the favor of an early reply.

I remain,

Yours obediently,

Sd. B.Lakshman Rao.
